## UniFrame

The UniFrame is crafted from a solid piece of acrylic and is custom made for each order. *The Classic, Premium, Aura, Spectra* are all considered *Uniframes*. Each line is unique with it's own design possibilities.

*Standard 1/8" allowance on all frames.*

### \*Note:

"Rabbit size" also refers to the glass size.

### Max Framing Size

60" X 120" Outside Dimensions

### Rabbit Lip Depth

Standard 1/4" Rabbit lip depth.  
Custom rabbit lip depths available upon request.

### Acrylic Body Thickness & Useable Space

The frame's useable space depends on the selected body thickness
